## Packhouse Manager 2025

Farm work is good, hard teamwork. Do you like to be challenged and physically active? Do you love all sorts of Organic veggies? Can you commit to a full season or longer because it's the best thing for the Farm? Do you enjoy fast-paced management that's never boring? Come work with a great team on a diversified Organic vegetable farm growing high-quality produce, fresh flowers, berries, herbs, and starter plants for two farmers markets, a large CSA, and a farm stand. Please visit [www.aspenmoonfarm.com](http://www.aspenmoonfarm.com) for more information about Aspen Moon Farm.

### Job Description:

- Manage Packhouse: Inventory, cleaning, supplies, organization, food safety
- Rinse, bunch, pack, prepare, and quality control vegetables
- Oversee CSA pack line
- Clean, mill, and pack Heritage grains
- Prepare and pack market trucks
- Lead crews and manage work stations in all of the above areas
- Record-keeping, planning, and preparing
- Bilingual preferred
- Flexible teamwork: Work and communicate well with our team to keep the whole farm organism running smoothly, including flexibility to jump in where/when needed, such as Farm Stand or Harvest

### Schedule & Compensation:

March/April - November/December, Mon-Fri. **\$20-\$22/hr** DOE + staff veggies. **Experience required** (farm, grocery, restaurant, etc). 40-55 hours/week depending on season and farm needs, with OT pay over 40. That's right - you get time-and-a-half pay for all hours over 40!

**Benefits:** Bonus pay twice during the season for all full-time, full-season staff in their second year of employment at Aspen Moon! You'll earn 1 hour bonus pay for every 40 hours worked. Sick pay for all staff. Innovative training program for all staff. Collaborative working group with a local facilitator so your voice can always be heard.

We are proud members of the Fair Food Program (FFP), protecting and advocating for good healthy working conditions for agriculture workers across the nation.
