

## Organic Farm Crew Positions 2025

Farm work is good, hard teamwork. Do you like to be challenged and physically active? Do you value working outside? Can you commit to a full season because it's the best thing for the Farm? Come work with a great team on a diversified Organic vegetable farm growing high-quality produce, fresh flowers, berries, herbs, and starter plants for two farmers markets, a large CSA, and a farm stand. Please visit [www.aspenmoonfarm.com](http://www.aspenmoonfarm.com) for full job descriptions and more information about Aspen Moon Farm.

**Job Description-** may include some or most of the following:

- Greenhouse work: robust Spring growing 30,000 certified Organic starter plants for local gardeners plus plants for the Farm
- Field work (harvest, transplant, and weed crops)
- Packhouse work (rinse, bunch, pack, and prepare vegetables)
- Pack CSA boxes, CSA distribution
- Farmers Markets- Longmont or Boulder on Saturdays
- Prepare and pack market trucks
- Farm Stand (operating our roadside Farm Stand)
- Flower work (harvesting, designing, making bouquets, drying, etc.)
- Record-keeping, planning, preparing

**Positions Available:** March/April - November/December

**\*Farm/Market crew:** \$18-19/hr + staff veggies. Mostly 40hrs/week. Work and learn! Tue-Sat (May be Mon-Fri from Mar-July based on farm needs)

**Benefits:** Bonus pay twice during the season for full-time, full-season staff in their second year of employment at Aspen Moon! 1 hour bonus pay for every 40 hrs worked. Sick pay for all staff. Innovative training program for all staff. Collaborative working group with a local facilitator so your voice can always be heard.

We are proud members of the Fair Food Program (FFP), protecting and advocating for good healthy working conditions for agriculture workers across the nation.

See [www.aspenmoonfarm.com](http://www.aspenmoonfarm.com) for application questions and more info. Send resume and answers to [info@aspenmoonfarm.com](mailto:info@aspenmoonfarm.com). *'Get grounded' with farm work! Good for the Earth, Community, and You.*
